# My Money Model Diagram

#### Debt

autopay boolean
category string \*
deleted\_at datetime
fix\_amount decimal (10,2)
id integer PK
is\_asset boolean
name string \*
pay\_from string
payment\_start\_date date
schedule string
sub\_category string \*

# **DebtBalance**

balance decimal (10,2) \*
debt\_id integer \* FK
due\_date date \*
id integer PK
payment\_start\_date date
target\_balance decimal (10,2) \*

## IncomeDistribution

boa\_chk decimal (8,2) \*
boa\_focus string
chase\_chk decimal (8,2) \*
chase\_focus string
distribution\_date date \* U
id integer PK
paid boolean

## **IncomeSource**

amount decimal (8,2) \*
end\_date date \*
id integer PK
name string \*
pay\_day string \*
pay\_schedule string \*
start\_date date \*

#### User

activated boolean
activation\_digest string
email string U
first\_name string \*
id integer PK
last\_name string \*
password\_digest string
remember\_digest string
username string \*
